FEEDBACK REPORT: Feedback received from alumni, who are significant stakeholders, plays a crucial role in improving the employability of students. This feedback is highly valued by the institution as it helps in identifying and addressing areas for improvement. Overall, alumni are satisfied with the performance of students at our institute, rating it as "Good" and "Satisfactory." However, alumni have recommended enhancing hostel facilities to accommodate more students and have raised concerns about the shortage of faculty members in various subjects.

ACTION TAKEN: In response to these suggestions, the institution has taken action by developing a plan and cost estimate for a new women's hostel building, which has been submitted to the UGC, NERO, Guwahati. Additionally, the college authorities have contacted the DHE, Assam, requesting permission to advertise vacant faculty positions.
