**Feedback Report:** The companies are the primary stakeholders, and their feedback provides valuable insights into improving students' employability. The institution can analyze and rectify its inadequacies with the help of the valuable input. Generally speaking, Employers are pleased with our institute's student body, rating their performance as "good" and "satisfactory." Employers, however, recommended that the student sharpen his or her inventive and creative abilities.

**Action Taken:** In response to the recommendations, the school formed a distinct unit to address the pupils' soft skill and personality issues. Students can strengthen their innovative skills and generate more unique ideas by working on assignments.
