## PARENTS' FEEDBACK

### FEEDBACK REPORT:

According to parents' feedback, the institution is highly regarded in several aspects. Excellent ratings are evident in infrastructure, library facilities, sports, and cultural activities. Additionally, the institution excels in academic discipline and the examination system, as noted by parents/guardians.

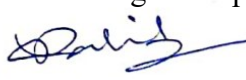

However, areas for improvement, as highlighted by parents, include canteen facilities, counselling activities, and the utilization of information and communication technology. Furthermore, there's a suggested need for enhancements to the evaluation and feedback mechanism.

It's essential for the institution to heed these suggestions and work towards addressing these areas to further elevate the overall experience for students and their families.

### ACTION TAKEN:

In response to these suggestions, the institution has taken decisive steps. It has resolved to enhance transparency in internal evaluation by allowing students to review checked answer scripts for complete satisfaction. Additionally, the Institutional Quality Assurance Cell (IQAC) of the college has been tasked with monitoring the feedback management process.
