# The College

Abhayapuri College came to its existence on the 13th of August, 1955 as a result of the zeal and tireless endeavour of some great minds of the locality under the leadership of late Govinda Chandra Dev Sarma and the whole-hearted support of the local people. Since then, the College has been at the service of the region shaping young minds and paving their way to the future. Abhayapuri College is situated at the heart of Abhayapuri town, the headquarters of North Salmara Sub-Division of Bongaigaon district, Assam.

The college towards its goal of higher education in the region. **came under 2(f) and 12(b) recognitions by University Grants Commission (UGC).** At present the college has three streams, namely B.A., B. Sc. and B. Voc.

It is a matter of pride that in the Golden Jubilee year of 2004 the College was assessed and accredited by the National Assessment and Accreditation Council (NAAC) with 'B' Grade during the first cycle of its inspection. In the year 2016, the college was again awarded 'B' grade (CGPA 2.50) by National Accreditation and Assessment Council (NAAC) during its **2nd Cycle of inspection.** In course of time Abhayapuri College has developed into an institution of excellence for higher learning. **It is a matter of pride for the Abhayapuri College fraternity that the college ranked 151 in Arts Stream and 147 in Science Stream in all India ranking of colleges surveyed by India Today Group during 2022.** Today, the hallmarks of the College are regular classes, good academic performance, periodic evaluation, ample opportunities for holistic growth, a disciplined

# Vision & Mission

## VISION

To impart holistic and progressive education with a view to moulding students into competent, confident and responsible citizens ingrained with high moral and cultural values.

## MISSION

To impart higher education up to postgraduate level by using contemporary teaching-learning methods in both formal and distance learning modes.

- To offer a host of career oriented and vocational courses including computer courses so as to equip students to confidently face competition and the growing demands of the fast-changing job market.
- To develop a scientific temperament and instil humanitarian values in young minds.
- To raise awareness and empathy among students towards the problems of their society through the Extension Education Programmes of the College. To work towards all-round development of the students through regular personality development programmes, soft skill trainings, seminars and co-curricular activities aimed at bringing out their best and to give them an edge over others.
