## Course Objective

- To bring awareness about importance of IPR
- To encourage faculties to file IP for their research, Inventions and Innovative projects
- To enhancing abilities of faculty for conducting meaningful research

## Benefits and Take away

- To convert project and research works into patents
- To get better ranking & class Accreditation for education institution
- To bring long term benefits to the Institutions on par with top class universities
- To attract young talents into the Institution
- To learn DO's and DON'Ts in research

## Methodology

The programme will adopt a practical and interactive approach including Group Discussions, Self-learning exercise & case studies. Sessions will be handled by eminent IP experts (technical/legal) connected with the topics of proven track record.

## Pre-Requisites

- Laptop/Desktop with updated windows OS.
- Good Internet Speed
- Uninterrupted Power Backup for 5 hours
