Feedback report: The students are the major stakeholders, and the feedbacks of students give the input regarding enhancing the quality of teaching and learning process for the students. The feedback is valuable for the institution and it provides the institution to analyze and improve the shortcomings. In general the students are happy with the institute and they rated the performance of the institution as "Excellent" and "Good". 70.9% students offered Honours courses and 20.1% students offered Regular courses. However, the students' suggested improving the learning values like skills, concepts and knowledge.

Action Taken: As per the suggestions the institution did the following analysis from the feedback received. The institution took the suggestion seriously and action was taken to introduce more skill based courses and improve the communication skills through language lab software.

**Feedback report:** The students are the major stakeholders, and the feedbacks of students give the input regarding enhancing the quality of teaching and learning process for the students. The feedback is valuable for the institution and it provides the institution to analyze and improve the shortcomings. In general the students are happy with the institute and they rated the performance of the institution as "Excellent" and "Good". However, the students' suggested that there should be more examinations in terms of internal evaluation to make the students assess themselves more.

Action Taken: As per the suggestions the institution did the following analysis from the feedback received. The institution took the suggestion seriously and action was taken to introduce more assignment based learning, and accordingly the academic council made it mandatory for more assignments based learning for the students.
