Feedback report: The teachers are one of the most important stakeholders, and feedbacks from them give the input regarding enhancing the capacity and capability of the students and about the institution. The feedback is valuable for the institution and it provides the institution to analyse and improve the shortcomings. In general teachers are happy with the institution and they rated the the institution as “Excellent”, “Good” and “Satisfactory”. However, the teachers suggested that the overall ambiance of the college campus be improved. They also suggested the provision of online access of the resources in the Central Library and a need for conference and Seminar hall.

Action Taken: As per the suggestions the institution took the following actions from the feedback received. The institution considering the observation of the teachers resolved to improve the ambiance of the campus by adopting some steps for the beautification of the campus along with a strict vigil on cleanliness. The authority, further, resolved to make necessary arrangements so that the resources of the library can be accessed online. For more conference room a Proposal was prepared and as soon as the funds are made available, it would be completed per the master plan of the college.
